RE: Multi-Use Graphics Display Enclosure  
Patent Application, D. James Hill

Sir:

Our patent application of early March included 2 cover letters, 1 to be dated and returned and 1 to remain with our application.

Both of these were returned to us, received on March 24, 2001.

We are returning the original to be put with the application, and a photocopy of the stamped original which we retain in our files on this application.

And we thank you for your help on this.

Respectfully,

D. James Hill
